You and all your family members, whether accompanying you to Canada or not, must complete a medical examination to determine if you meet the medical requirements for immigration to Canada.

You will receive a medical examinations kit from us **after** you submit your completed *Application for Permanent Residence* to Port of Spain.

You and your family members must do the necessary medical examinations with one of the doctors on the accompanying list unless you and/or your family members live in a country not included on this list.

It is your responsibility to contact the doctor promptly and to inform us if you wish to be examined by a designated doctor in a country outside our region. It is also your responsibility to pay for the medical examinations and all tests that you and any family members are required to take for the purpose of this application.

When you go for your medical examination, take the following:

- The **Medical Report Form**. Part 1.A must be completed for each member of the family and passport-sized photograph affixed to page one and Appendix A of each medical report form. Give these forms to the doctor.
- Identification such as a passport, birth certificate, driver's license (at least one item must show your photograph and signature).

You must tell the doctor about all past and present illnesses, operations and treatments. Failure to disclose this information will delay the medical assessment and processing of your application.

The designated doctor is responsible for collecting all necessary medical reports and forwarding them to the visa office in Port of Spain.
